MEMORANDUM FOR THE RECORD

Morning Meeting of 26 June 1968

25X

Godfrey reported signs of enemy infiltration groups returning northward and indications that these are groups of wounded.

25X

D/ONE inquired about distribution of the NIPP, and the Director asked that distribution be limited in the same fashion as it was for the Memorandum to Holders of NIE 11-14.

DD/S advised that a new initiative for easing morning traffic congestion at the Chain Bridge is under way with the Virginia Highway Department.

Carver indicated that Ambassador Harriman is scheduled to visit Headquarters this morning.

Maury reported that feedback from the Director's testimony before the Henderson subcommittee yesterday indicates the session went very well.

The Director asked Maury to attempt to arrange an appointment for him with Senator Russell within the next week to ten days.

DD/P drew attention to indications that the Spanish and Czech governments are undertaking to formalize relations.

The Director commented that the S. 1035 testimony was very well written.
